Attending what was surely a fabulous event (check out that handmade crown!), the *Hart of Dixie* actress, 35, who's pregnant with her second child with husband **Kyle Newman**, bundled her baby bump in a magenta, lace-trimmed slip. She also added a printed poncho, a white Hayden Lasher top-handle clutch, and suede, over-the-knee boots.

How would King describe her style and the moment, which was snapped as she was spotted leaving the shindig? Just another day in the life of a Hollywood-based lady!

"When they snap you coming out of the worlds chic-est children's bday for Skyler," the *Sin City: A Dame to Kill For* actress captioned a pap shot of her outfit, shared via Instagram. "Because the poncho, nightie and thigh high boots aren't enough—you MUST have a baby made crown! Ha! #thatmodernmamalife"
