

CLIP-ON TOWING MIRRORS USER MANUAL

K-VATM008A / K-VATM009A / K-VATM010A

Prior to installation and operation, it is essential to carefully read the manual and keep it for future reference.

V1.0

ABOUT US

Founded in 2018, the San Hima brand stands for passion and enthusiasm for exploring the spectacular nature of the great outdoors. Since its inception, the trusted solutions and proven designs that San Hima offers to the market have made adventure and travelling flexible and enjoyable!

Headquartered in Australia, San Hima proudly offers an extensive range of overland solutions. Our diverse offerings include cargo systems, towing solutions, caravan and trailer parts as well as car camping equipment. Designed to accompany you on your journeys and enhance your performance when conquering the peaks, our products are crafted for those with a passion for exploration.

At San Hima, we have wild souls and we are committed to providing products that are tough enough to take on any adventures and at the same time, making them safe and easy to use. These values in our conviction are what drive us to make innovations. Because pursuing your passion should never be complicated.

Live the Peak, Conquer the Everest, San Hima is your brand of choice!

SAFETY INSTRUCTIONS

- DO NOT use the mirror for any purpose other than for which it is designed.
- ONLY use clip-on towing mirrors when towing.
- Ensure that the clip-on towing mirrors are securely and properly attached to your vehicle's existing side mirrors.
- Check for any damage or loose fittings before each trip.
- Please use a glass cleaner to maintain the clarity of the mirror's glass. When cleaning the surface, make sure to use a microfiber cloth to avoid scratches.

INSTALLATION

For K-VATM008A and K-VATM010A:

- Thread the rubber straps through the provided clips.

- Place the protection pads onto the ends of the wing knob thumb screws and push to secure them in place.

- Loop the safety cords over your vehicle mirrors and securely tighten them in place.

- Position the clips onto the rims of your vehicle mirrors.

- Tighten the wing knob thumb screws to firmly secure them in place.

- Adjust the mirror arms along their length to your desired position, and tighten the star knob thumb screws to secure them in place.

- Wrap the straps around the back of your vehicle mirrors and fasten the clips to the rims of your vehicle mirrors.

- Adjust the straps as needed to ensure a secure fit.

For K-VATM009A:

- Thread the rubber straps through the provided clips.

- Adjust the mirror arms and slide them onto your vehicle mirrors, ensuring a secure fit.

- Wrap the straps around the back of your vehicle mirrors and secure the clips over the tabs on the upper arms of the mirrors.

- Adjust the straps to the required length for a secure and stable fit.

WARRANTY

San Hima ("Manufacturer") warrants, to the original purchaser ("User") that its towing mirrors, if purchased from manufacturer or an authorized distributor or dealer, will be free of defects in material and/or workmanship under normal usage from the date sold and for the duration (the "Warranty Period") of 3 YEARS.

This warranty shall ONLY be effective for the original purchaser and apply ONLY to the San Hima towing mirrors that are correctly installed on the vehicle for which they were intended.

San Hima will either replace the product or provide you with a refund at our discretion provided that the fault is found to have been caused by a design or manufacturing defect that results in its failure to perform correctly as described. The limited warranty is the only one that applies to this product, and it sets forth all the responsibilities of San Hima.

EXCLUSIONS:

This warranty does not cover defects, failure or damage caused by incorrect or faulty fitment, intentional damage, misuse or abuse. It is recommended that the installation should be performed by suitably qualified technicians or the warranty will be voided. For further clarity, this warranty is also void if the towing mirrors:

- are operated outside of its technical specifications,
- are repaired, altered or modified carried out by anyone other than San Hima, or without San Hima's authorization,
- are damaged by adverse weather, extreme temperature, accidents, negligence, daily wear and tear, alteration, incorrect installation, improper use such as having your mirrors attached when not towing, or failure to check the condition of your mirrors before every journey.

CLAIMS:

If a San Hima product is suspected of being defective, you'll need to provide proof of purchase (e.g. a screenshot of the order) and a picture and a video of the damaged goods in their entirety. If the product is found to be defective and covered by this limited warranty, the remedy is replacement or refund, at San Hima's option. No charges will be accepted for external labour or materials.
