

2.5 Gallon Commercial Stainless Steel Sensor Trash Can

The 2.5 Gallon Commercial Steel Sensor Trash Can lets you liven up your surroundings with the scent of fresh-cut lemons with this innovative, multifunction, sensor-operated trash can. The high quality ABS plastic lid combined with a stainless steel can body works to repel dust, dirt, and fingerprints. The corner-mounted sensor design ensures 100% touch-free and accurate lid opening and closing. The included fragrance cartridge works with the activated carbon filter to stop odors and fill the surrounding area with the crisp, clean scent of fresh-cut lemons.
