

## 13 Gallon Semi-Round Sensor Trash Can

Model#

**HLS13HX**

13 Gallon Semi-Round Sensor Trash Can eliminates exposure to the illness-causing bacteria that live on trash can surfaces. This semi-round sensor operated trash can has an extra-large 12.5" opening that easily accommodates large and bulky items. It's perfect for high-traffic venues that require quick and easy disposal. It also features an enhanced lid hinge mechanism, air vent holes for effortless trash bag removal, and carry handle for easy mobility.
