

16 Gallon Oval Dual-Deodorizer Open Top Trash Can

The 16 Gallon Oval Dual-Deodorizer Open Top Trash Can is the perfect trash can for lobbies, dining areas, stores, or any high traffic venue. This can features a large open top with a slim, oval body design that allows it to fit easily into any space. It also includes two heavy-duty activated carbon filters designed to keep odors out of the surrounding area. The wide opening easily accommodates large and bulky items. Its 16 gallon (60.6 liter) capacity can easily retain a day's worth of trash. Its elegant, brushed stainless steel finish is smudge-resistant, easy to clean, and complements any setting.
