

18 Gallon Commercial Round Stainless Steel Sensor Trash Can

The **18 Gallon Commercial Round Stainless Steel Sensor Trash Can** is perfect for high traffic venues like restaurants, lobbies, and stores. The large, 18 gallon (68 liter) capacity easily accommodates a day's worth of trash. The 100% touch-free, sensor operated lid eliminates exposure to the illness-causing bacteria that lives on trash can surfaces. The can also has four caster wheels for easy mobility. The elegant, brushed stainless steel finish is smudge-resistant, easy to clean, and complements any setting. Other features include a trash bag retainer ring that keeps the bag in place and out of view, and air vents at the base that make trash bag removal effortless.
