

18 Gallon Commercial Wings Lid Stainless Steel Sensor Trash Can

The 18 Gallon Wings Lid Stainless Steel Sensor Trash Can is perfect for high traffic venues like restaurants, lobbies, and stores. The large, 18 gallon (68 liter) capacity easily accommodates a day's worth of trash. The 100% touch-free, sensor operated lid eliminates exposure to the illness-causing bacteria that lives on trash can surfaces. The replaceable Natural Carbon Odor Filters absorbs and neutralizes trash odors. The elegant, brushed stainless steel finish is smudge-resistant, easy to clean, and complements any setting. Other features include a trash bag retainer ring that keeps the bag in place and out of view, and air vents at the base that make trash bag removal effortless.
