

9 Gallon Black Powder-Coated Half-Round Side-Entry Trash Can with Steel Inner Bucket

9 Gallon Black Powder-Coated Side-Entry Trash Can is the perfect waste receptacle for high-traffic areas like restroom, lobbies, hallways, and conference rooms.

This 9 Gallon / 34 Liter receptacle features an easy to access, galvanized steel inner bucket with handles. The large opening makes it easy to dispose of bulky trash on-the-go. The slim, half-round profile is space-efficient. The black powder-coated steel finish is fingerprint-proof, smudge-resistant, and easy to clean.

This receptacle may be wall-mounted, making it perfect for restrooms or other busy areas where space is limited.
