

# 15 Gallon Round Bevelled Open Top Trash Cans

(Stainless Steel or Black Powder-Coated)

As attractive as they are functional, the **15 Gallon Bevelled Round Open Top Trash Can** is the perfect solution for venues that require easy to use and service, aesthetically pleasing waste receptacles. With a 15 Gallon / 57 Liter capacity and wide 10" diameter opening, this bin is perfect for busy, high-traffic venues like lobbies, stores, food service, restrooms and more. Available in stainless steel or black powder-coated body finish, the bin body is fingerprint-proof and smudge-resistant. The bevelled top prevents accumulation of trash on the lid. The galvanized steel inner bucket has two handles, for quick and easy liner changes. The rubber ring at the base prevents floor scratches and keeps the bin in place.
