

**Model # HLS13HX**

# **13 Gallon/49 Liter Stainless Steel SEMI-ROUND SENSOR TRASH CAN**

Eliminate exposure to the illness-causing bacteria that live on trash can surfaces with this touchless, sensor-operated trash can. Enhanced infrared sensor technology allows for hands-free lid open and close, promoting a healthier environment. The odor filter compartment houses the easy to replace AbsorbX® odor filter to absorb and neutralize trash odors. An extra-large 12.5" opening easily accommodates large and bulky items. It's perfect for high-traffic venues that require quick and easy disposal. It also features an enhanced lid hinge mechanism and air vent holes for effortless trash bag removal.
