

# CSI Literacy—Grades 3–8

Boost comprehension and build critical thinkers!

CSI Literacy kits contain on-grade-level texts with scaffolds for ALL students. The short, explicit lessons and cross-disciplinary texts combine with comprehension and critical thinking strategies every student can use, no matter their level. You'll use whole-group, collaborative, and independent reflection activities to create strong, metacognitive readers.

Short, interactive texts for modeling!

## Students learn:

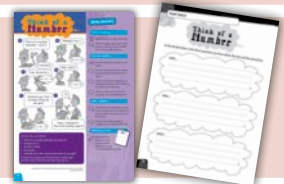

- Comprehension—Making Connections (text-self, text-text, text-world), Asking Questions, Visualizing, Main Idea, Synthesizing, Summarizing, Inferring
- Self-Monitoring
- Critical Thinking
- Cross-Curricular Academic Vocabulary
- Close Reading
- Peer Collaboration
- Independent Reflection

## Components:

Short, digital 'mentor texts' with shared reading lesson plans to teach specific comprehension strategies

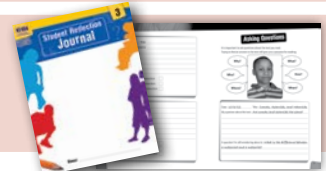

Cooperative learning texts and graphic organizers to allow students to practice the reading strategy they're learning

Audio texts to support cooperative learning texts

Student reflection journals to encourage reflection and self-assessment
