

CSI Private Eye/Intrépido

If you're looking for something to 'hook' any reluctant readers, this is it! It's a series of online interactive adventures that motivate students to read and write, and gives them vital online experience in an educational setting to prepare them for online assessments. There are six dual-language adventures, each one complemented by three genre-specific interactive writing lessons.

Now in
**English
and
Spanish**

For your free 14-day trial, visit: www.csi-literacy.com/products/csi-private-eye-free-trial

Students learn:

- Making predictions and inferences
- Drag-and-drop, sequencing, and cloze activities
- Reading comprehension
- Cross-curricular connections (linking math, social studies, science with literacy)
- Analyzing perspectives and ideas
- Giving and justifying opinions
- Analyzing and writing texts across many styles and genres
- Planning, drafting, revising, editing, and peer-reviewing

Components

- 6 interactive, online, solve-as-you-read mysteries in English and Spanish
- The Private Eye Writing Program—18 step-by-step writing lessons that include analyzing mentor texts, planning, writing, revising, and editing
- activities and peer-to-peer assessment
- Interactive student writing workbooks for the 18 writing lessons, with graphic organizers, checklists, and editing and revising mini-lessons
- Teacher assessment rubrics
- Teacher support

WHAT TEACHERS ARE SAYING ABOUT CSI PRIVATE EYE/INTRÉPIDO...

"Private Eye motivates students like a game, but there is serious learning going on." – Julie, Grade 5 Teacher
