

# Partners in Print™

A Parent-Involvement Program  
for Beginning Readers

**Meets Title I  
Parent-Involvement  
Requirements**

**Partners in Print™  
is tried and true!**

**Teachers** love Partners in Print because parents are involved.

**Parents** love Partners in Print because they engage with their children.

**Children** love Partners in Print because they engage with their parents.

**Administrators** love Partners in Print because test scores soar!

## Family Literacy in Spanish and English A Parent-Involvement Program

*Partners in Print* is an out of the box, easy-to-implement parent-involvement resource featuring engaging **literacy workshops** in which parents, children, and educators work together on key literacy skills and strategies. The fully scripted workshops are designed to be led by parents or teachers.

Kits contain everything you need! *Partners in Print* will create a strong parent-involvement program and empower parents to help their children become confident, successful readers.

### Key Features:

- Ready to go
- Spanish and English
- 15 fully scripted workshops

### Benefits:

- Meets Title I Parent-Involvement requirements
- Engage parents and children at all education levels
- Offers option of using existing books or purchasing our libraries
- Teaches parents how to support their child at all literacy levels
