

SPECIFICATIONS

Product Description: **WORK TENT**
 Part Number: **9401, 9402 SERIES**
 Style: **DELUXE**

GENERAL DESCRIPTION:

The Deluxe Work Tent is easy to use and very durable, it features quick set-up from the inside or outside. Open bottom allows for protection while working over manhole covers or excavation sites. A unique designed frame will not pull out or poke through the fabric. The free-standing structural stability is excellent in windy conditions.

MATERIAL:

- Urethane coated polyester
- Fire retardant to California State Fire Marshal F-121.8; UL 214, Classified NFPA-701; ASTM E-84, Class A rating (Building Material)
- Hi-Viz green sides, top half is white

FRAME:

- High strength fiberglass rods
- Bolted for increased stability
- Rolled steel hinges
- Pitch roof style provides extra headroom and structural strength

FEATURES:

- Setup/breakdown in seconds
- Offered in two sizes each with one or two door options
- Hi-Viz green color on sides for safety
- Attached blower duct tube (10.5" diameter) in the rear of the tent (9401 Series)
- The pitch roof style provides extra headroom and structural strength
- White color allows for proper lighting for color matching
- One covered window
- A handy attached roll-up flap provides compact storage, easy transport
- Repels snow and water
