

# A Very Vogue Wedding

**1.** Designing one-of-a-kind bridal gowns for women who delight in the delicacy and intricacy of couture fashion, **CHRISTIE NICOLE BRIDAL** has created 'Adele'; a collection of dramatic, edgy and ethereal pieces that brides dream of wearing. Each design is a pour of Christie's emotions, perfectly encapsulating the designer and her brand. With a combination of beautiful and unique fabric pairings and bold design details 'Adele' was born: an ode to Christie's grandmother. **2.** **TATYANA KOCHNOVA ATELIER**'s new 2022/2023 collection includes minimalistic yet complex-cut dresses. Each gown in the collection emphasises the character, grace and individuality of every woman. Natural silks, mikado, satins and velvets of English factories are the favourite materials of the designer of the studio. Photography by Roman Ivanov. **3.** Zak and Li of **ZL WEDDINGS** believe in preserving the real feel and vibe of your wedding day. Their unobtrusive approach allows them to focus on emotion, spontaneous interaction and atmosphere, capturing the vibrancy of life and your love for one another with a modern, editorial essence. Visit [www.zlweddings.com](http://www.zlweddings.com) and Instagram @zlweddings

**4.** The **STEFANIA EVERENN** debut collection boasts romantic shapes, timeless designs, and modern features. Using top quality fabrics and being a size inclusive brand are two of their highest priorities. This collection also allows brides to find a dress for multiple bridal occasions. Their fit process incorporates forefront technology which enables the most accurate fit from sizes 0 to 32. Stefania Everenn is bringing a new way to explore, with 3D & Augmented Reality on your computer, smartphone or tablet. Visit [www.stefaniaeverenn.com](http://www.stefaniaeverenn.com) and Instagram @stefaniaeverenn

**5.** Offering wedding invitations and day-of stationery, Melissa of **EPOCH DESIGN** admires a balance between typography and negative space. As an architecture grad, she approaches her stationery with a clean, simplistic, yet elevated outlook and focuses on introducing textural elements to add depth and romance to her designs. Visit [www.epochdes.com](http://www.epochdes.com) and Instagram @epochdes

**6.** **TESSA SHANNON** is renowned for capturing the true essence of her couples. She produces imagery that will remind you how your day felt, not only how it looked. Her frames are rich with honest emotion, presented in a luxe style that is unforgettablely unique. Visit [www.tessashannon.com](http://www.tessashannon.com) and Instagram @tessashannonphoto

**7.** Whether creating bespoke event florals, styling immersive editorials, or curating an abundant sensory feast, **ESQUARED DESIGN CO.**'s discerning eye, passion for quality material, and obsession with the finer details make for only the best when producing elevated, heartfelt events for their much loved clients. Visit [www.esquaredesignco.com](http://www.esquaredesignco.com) and follow on Instagram @esquaredesignco

**8.** Originally hailing from New York, **EMILY MONTAY** is an award-winning, international photographer working out of London. With a focus on cinematic and intimate wedding photography, she will capture your day to a sophisticated, fine art standard, and always with a little bit of magic. Visit [www.emilymontayphotography.com](http://www.emilymontayphotography.com) and Instagram @emilymontay.photo

beautifully cohesive stationery and signage for their wedding day that will forever be adored. Visit [www.eboniandivory.com.au](http://www.eboniandivory.com.au) and follow @eboniandivory\_ on Instagram.

**10.** **JACK HENRY**'s work ties in an editorial elegance that can be missed from traditional wedding photography. This was developed through his previous career in shooting editorial campaigns and select private events for brands including Giorgio Armani, Moët Chandon, Swarovski and Audemars Piguet, among others. He believes the best wedding photography is natural and tells a story. It is discreet, unobtrusive, and never staged. Visit [www.jackhenryphoto.com](http://www.jackhenryphoto.com) and Instagram @jackhenryphoto

**11.** **MONIQUE MAARSCHALK** is a wedding and lifestyle photographer based in Denmark and Australia. Having started her wedding photography career working for wedding stylist Whispering Vintage, she now documents weddings with a modest and intuitive approach. Perfect for the lovers who adore a natural, authentic style with a hint of editorial spice. Visit [www.moniquemaarschalk.com](http://www.moniquemaarschalk.com) and Instagram @moniquemaarschalkphoto

**12.** Combining her fine art background with her love of landscape, travel and analogue photography, **HOLLIE CORNISH** specialises in destination and elopement weddings. By working collaboratively with you both, she creates a unique snapshot in time and authentic images to treasure your day. Visit [hollicecomish.wedding](http://hollicecomish.wedding) and Instagram @hm\_weddings

**13.** Irish-born **AISSLING HICKEY** has been working as a make-up artist throughout Ireland for the past eight years. Aisling has worked with some beloved brands throughout her career, including Charlotte Tilbury. Aisling curates looks that both highlight and enhance the natural beauty of her clientele. At the core of everything she does, her primary focus is helping a bride and her bridal party to achieve happiness on the special day. Photography by Aoife O'Sullivan.
