- Supports Cellular Energy Production*
- Supports Healthy Immune Function*

Cellular Shield™

Promotes Cellular Function Against Environmental Exposure*

Cellular Shield™ 60 Capsules Ingredients:

Vitamin C (as magnesium ascorbate)
 Vitamin E (as D-alpha-tocopheryl acid succinate)
 Folate (as 5-methyltetrahydrofolic acid)
 Vitamin B12 (as methylcobalamin)
 Magnesium (as citrate, ascorbate)
 Zinc (as citrate)
 Selenium (as L-selenomethionine)
 Immune Support Blend:
 Botanically-Grown Cordyceps Mushroom (*Cordyceps sinensis*)
 Botanically-Grown Reishi Mushroom (*Ganoderma lucidum*)
 Astragalus Root Extract (*Astragalus membranaceus*)
 Botanically-Grown Oyster Mushroom (*Pleurotus ostreatus*)
 Cat's Claw Bark Extract (*Uncaria tomentosa*)

Antioxidant & Cellular Support Blend:

Trimethylglycine (TMG)
 Alpha Lipoic Acid
 Boswellia Resin Extract (*Boswellia serrata*)
 Methylsulfonylmethane (MSM)
 N-Acetyl L-Cysteine (NAC)
 Blueberry Fruit (*Vaccinium angustifolium*)
 Green Tea Leaf Extract (*Camellia sinensis*)

Energy Support Blend:

Ashwagandha Root Extract (*Withania somnifera*)
 Taurine
 Acetyl-L-Carnitine
 Holy Basil Leaf Extract (*Ocimum sanctum*)
 Mixed Tocopherol/Tocotrienol Complex
 BioPerine® (Black pepper fruit extract, *Piper nigrum*)

Other Ingredients:

Vegetable capsule (natural vegetable cellulose, water), microcrystalline cellulose.
 BioPerine® is a registered trademark of Sabinsa Corporation.

Cellular Shield™

What is Cellular Shield™?

Formulated by Dr. Isaac Eliaz, MD, MS, LAc, **Cellular Shield™** is an advanced formula that delivers multi-targeted antioxidant support. The unique blends of botanicals, mushrooms, extracts and nutrients in **Cellular Shield™** work synergistically to promote optimal functioning of the body's antioxidant systems and maintain areas of health most affected by free radicals and oxidative stress.*

- **Promotes Cellular Health & Antioxidant Activity***
- **Supports Cellular Energy Production***
- **Supports Healthy Immune Function***

Promotes Cellular Function Against Environmental Exposure*

Powerful Antioxidant Botanicals and Nutrients Deliver Broad Spectrum Support*

Cellular Shield™ includes adaptogenic botanicals that have a history of traditional use in maintaining optimal immunity, stamina and overall vitality. Research demonstrates these botanicals also offer powerful antioxidant support and promote other key areas of health. Together with antioxidant nutrients and co-factors, **Cellular Shield™** is an advanced formula that delivers critical, broad-spectrum support against the constant barrage of free radicals and oxidative stress from our everyday environments.*

Antioxidant and Cellular Support Blend*

Antioxidant-rich botanicals, such as boswellia resin, green tea, and blueberry extracts, are enhanced by powerful nutrients such as alpha lipoic acid, N-acetyl cysteine, and others. These ingredients work together to deliver targeted support against free radicals, maintain the body's natural antioxidant systems, and support healthy cellular function and behavior.*

Cellular Energy Support Blend*

Mitochondria, the tiny “engines” within cells, are responsible for helping to maintain the body's vital energy levels, along with countless other essential functions. They are particularly susceptible to oxidative stress and free radical attack. Ingredients such as holy basil, ashwagandha, and acetyl-L-carnitine, offer critical support for healthy mitochondrial function and optimal energy levels.*

Immune Support Blend*

Immune health plays an important role in supporting the body against oxidative stress and free radical attack. **Cellular Shield™** includes three species of beneficial mushrooms, specially cultivated on blends of immune supporting herbs, which adds to their unique benefits. Together with astragalus root and cat's claw extract, **Cellular Shield™** offers broad-spectrum support for immunity and other critical areas of health.*

Manufacturing and Quality Control

Cellular Shield™ is produced under conditions that meet or exceed Good Manufacturing Practices as defined by the Food and Drug Administration (FDA).

Contraindications & Cautions

This product may contain ingredients from soy.

How to Use:

As a dietary supplement, take 2 - 4 capsules, twice daily, or as directed by your healthcare practitioner.
