Oil Dispenser Use & Care

Fill

Measure

Dispense

How to Use the Dwellza Oil Dispenser

Fill with Your Favorite Oil:

1. Remove the lid and pump assembly.
2. Pour up to 17 ounces of oil into the base. Do not overfill.
3. Replace the lid and pump assembly. Do not overtighten.

To Dispense Oil:

1. Depress the button on the lid and hold.
2. Oil will fill the integrated measuring cap. Hold button until the oil fills to your desired measurement then release button.
3. Pour oil from the cap. Only the measured oil will pour from the cap.
4. For best results, hold the dispenser vertically while you fill the measuring cap.

Oil Dispenser Instructions

Regular cleaning every six (6) to eight (8) weeks will keep your Dwellza oil dispenser working properly.

To clean by hand:

1. Remove the lid and pump assembly.
2. Empty remaining oil from the base.
3. Fill base halfway with warm water.
4. Add one drop of dishwashing soap to the base.
5. Replace the lid and pump assembly.
6. Shake the bottle to suds then depress the button to fill cap with soapy water. Pour water into sink and repeat.
7. Repeat Steps 1 – 6 using clean water.
8. Disassemble all components and rinse with clean water.
9. Air Dry.

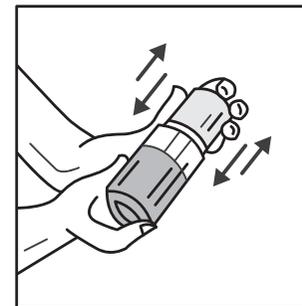

Notes:

- Do not use with coconut oil.
- Glass parts are dishwasher safe.
- All other components are hand wash only.

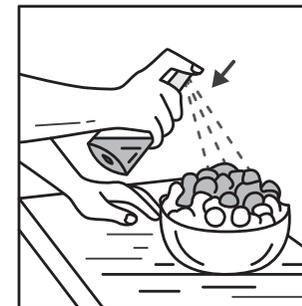

Oil Mister Use & Care

Fill

Pump

Spray

How to Use the Dwellza Oil Mister

Fill with Your Favorite Oil:

1. Remove the cap and spray assembly.
2. Pour up to six (6) ounces of oil into the base leaving open space in the base. Do not overfill.
3. Replace the spray assembly and screw the ring collar in place.
4. Place the lid over the nozzle ensuring the priming tube fits over the spray nozzle securely.

To Spray Oil:

1. Slide the pumping lid over nozzle approximately five (5) to ten (10) times until you feel pressure build up. You will feel the resistance in the lid when the mister is prepared.
2. Remove pumping cap and depress nozzle to spray oil mist.
3. As mist slows, pressurize the mister again with the pumping cap, as in Step 1.
4. For best results, hold the mister vertically while you spray.

Oil Mister Care Instructions

Regular cleaning every six (6) to eight (8) weeks will keep your Dwellza oil mister working properly.

To clean by hand:

1. Loosen the ring collar and remove spray assembly.
2. Empty remaining oil from the base.
3. Fill base halfway with warm water.
4. Add one drop of dishwashing soap to the base.
5. Reassemble spray assembly, collar, and lid.
6. Pump lid until you feel resistance then spray soapy water into the sink.
7. Repeat Steps 1 – 6 using clean water.
8. Disassemble all components and rinse with clean water.
9. Air Dry.

Notes:

- Do not use with coconut oil.
- Fill base approximately halfway for best results.
- Glass parts are dishwasher safe.
- All other components are hand wash only.
