

HOW IT WORKS

1. Fill out the order form Below.

Go to the second page and fill out the information required. You may choose the type of film, the print sizes, and other options from the drop-down menus in this PDF, and we will contact you with the final price. Note that you can find all the prices on the third page.

2. Please, select what we should do about your negatives.

Choose the *mail* or *pick up in store* option in the NEGATIVES section if you want to receive them back. If not, choose *to destroy* and we'll get rid of the negatives on your behalf.

3. Shipping mode

Select your mode of shipping if you select to have your negatives back or some prints. You will find the shipping pricelist on the third page. * Ignore this step if you choose *to pick up in store* option. Note that shipping is at the customer's expense.

4. Send us your package by mail.

Print the page that you just filled out and put it into an envelope/bag with your film in it.

Print the last page (Non-Payed shipping label), write your information and stick it on the envelope/bag.

Go to the post office the closest and mail it to us!

5. Receiving your order.

After receiving your order, we will contact you by email. The email will include the details of the work order that we will create and a payment link. The process of your film will start as soon as we receive the payment confirmation, it may take 48hours. If we don't have payment confirmation, we will contact you by phone.

6. Return of your film/prints

If you choose to have your negatives back or some prints, you will receive them approximately 14 business days after the payment confirmation.

NOTE

- We are not responsible for any delays caused by the post company.

- If the *pickup in store* option is chosen, you will receive a call when it's ready.
