

DON KOHARSKI'S COACHING LESSONS

*Online Skills Development
for Hockey Officials.*

Only \$39.99 per official!

About the Program

Give your minor hockey officials insight and training from some of the best officials in the world. Featuring former NHL Referee Don Koharski and his team of coaches, your officials will gain valuable tools to be more technically and mechanically sound while becoming a more confident referee or linesmen.

The *program* is a modern, online training program designed to support officials with officiating fundamentals with the **goal of helping your association improve retention.**

TESTIMONIALS

"The high-quality video content is engaging and provides the tools our officials need to improve their officiating skills!"

Andy Hudson, MIHOA

No matter what level of official you are, the Koharski Program will have a significant impact on your officiating skills and increase your confidence on the ice."

Bob Keays, Saint John Minor Hockey

Pricing for 2020/2021 Season

\$39.99 per official
+ applicable taxes

Let's Make Officiating Fun!

"We all need to work together to become more consistent in our training of young officials. Not only to retain, educate and develop them - but to grow our staffs! Let's get our officials excited, energized and engaged. We need to show officials we care about their development and growth.

"Let's make it fun again. Let's shape the future leaders not only on the ice but in our communities. We know our officials face huge challenges such as abuse. One of our goals is to bridge the gap on abuse through our platform. It's time we are all held accountable. **"We need to get officials engaged and ensure they aren't neglected!"**
