

Proper Heavy Duty Glove Care

By regularly caring for your heavy duty gloves, they can last up to 300% longer, and keep you and your crew safer.

WASHING INSTRUCTIONS:

- **Hand Wash Only**
Gentle hand wash with mild soap. Rinse thoroughly. Do not bleach.

DRYING INSTRUCTIONS:

- Dry flat indoors. Do not tumble dry. Do not iron.
- Store in clean, dry conditions, away from direct sunlight or extreme temperatures.
