

# Proper Helix® Care

By regularly washing your Helix® gloves, they can last up to 300% longer, and keep you and your crew safer. When working a job, you can easily wash your Helix® gloves on site:

## WASHING INSTRUCTIONS:

- **Option 1: Machine Wash**  
Wash on a regular cycle using cool water. Do not bleach.
- **Option 2: Hand Wash**  
Hand wash using mild semi-diluted cleaner and scrub until clean. Rinse thoroughly.

## DRYING INSTRUCTIONS:

- Hang to dry (indoors), do not tumble dry. Do not iron.
- Store in clean, dry conditions, away from direct sunlight or extreme temperatures.
