

Proper NXT® Glove Care

By regularly washing your NXT® gloves, they can last up to 300% longer, and keep you and your crew safer. When working a job, you can easily sanitize your NXT® gloves on site:

WASHING INSTRUCTIONS:

- **Option 1: Machine Wash**
Wash on a regular cycle using hot water.
- **Option 2: Dishwasher**
NXT® gloves can be sanitized in a commercial dishwasher.

DRYING INSTRUCTIONS:

- Hang to dry (indoors). Do not iron.
- Store in clean, dry conditions, away from direct sunlight or extreme temperatures.
