*YULEYS letter sizing does not correspond to shoe size; above is only an estimate. YULEYS sizing is based on the sole of your footwear (measure heel to toe). If you change your footwear (shoes to a steel toe boot) it will require re-measuring and most likely a different color YULEYS.

How to Measure

Universal sizing guidelines make it easy to find the YULEYS® to fit your work boot or shoe. When trying to determine your YULEYS size, measure the sole of your footwear from heel to toe for length. Measure the widest part of the toe box, and the widest part of the heel for the width. When measured correctly, your YULEYS will fit snug.
