The background features a repeating pattern of stylized, glowing flowers with intricate petal details and long, slender leaves. The flowers are rendered in white and light gray, with bright, starburst-like highlights on their petals, giving them a shimmering appearance. In the center of the image, there is a large, solid yellow diamond shape. Overlaid on this diamond and the background is the text "DELIVERY 11/1" in a bold, white, sans-serif font. The word "DELIVERY" is positioned to the left of the diamond, and "11/1" is to the right. The diamond itself partially obscures the middle of the word "DELIVERY".
