## G10

The machines in the G-10 range are elegant and solid, with a sophisticated design that draws attention to them. The wide range of models means that you will always find a machine that perfectly suits your needs. We have combined our genuine experience of building first-class espresso machines with creative solutions and the latest innovative technology. Therefore, you can be sure that all G-10 machines deliver what they promise. That is, a perfectly brewed espresso to your guests. Every day, year after year. G-10 fits in all types of environments, from small local diners to top-level restaurants..
