

### **CREATIVE SUBMISSION GUIDELINES:**

We are in need of designs with excellent composition and use of color. To get a sense of how compatible your artwork is with our line, please visit our website: [www.ginabdesigns.com](http://www.ginabdesigns.com).

General (everyday) art is needed all year! We have several releases throughout the year; so if you miss the deadline for one, don't hesitate to send it to be considered for the next release. We will keep your submissions on file. We do not accept writer's or photography submissions. Currently, all of our writing is done here at Gina B. Designs, Inc.

### **HOW TO SUBMIT:**

Please send low-resolution jpg files to our creative department:  
Erin Brennan: [ebrennan@ginabdesigns.com](mailto:ebrennan@ginabdesigns.com)

If it is not possible to send your submissions via email, we will accept:  
color copies or original art (as long as it is not large scale)

Please send all hard copies to:  
Creative Department  
Gina B. Designs  
Attn: Erin Brennan  
12700 Industrial Park Blvd. Suite #40  
Plymouth, MN 55441

- We would also be happy to visit any website that features your artwork.
  - If possible please include layout ideas or sketches for application to our products. The more complete the submission, the better!
  - If we feel we have an immediate use for your work, we will notify you and discuss our process and compensation on an individual basis.
  - If we don't have a current application for your art, but feel we may in the future, we will keep the submissions on file.
  - If in the event we do not select your work, we will return any hard copy submissions within 60 business days if a self-addressed stamped envelope is provided.
  - Due to the many submissions we receive, we are not able to comment or give feedback on artwork that does not fit our current needs.
- Our selection process is very competitive so please send a thorough sampling of your art style and capabilities.

Please don't hesitate to email Erin [ebrennan@ginabdesigns.com](mailto:ebrennan@ginabdesigns.com) with any questions regarding any of our creative guidelines.
