

ICEL Snubber Capacitors now available from RS Components

John G Peck Ltd are the UK representatives for **ICEL** an Italian manufacturer of Polyester and Polypropylene film capacitors, with over 30 years of experience of Industrial, Medical, Traction and other applications.

In addition to direct sales of **ICEL** capacitors, JGPL are pleased to announce that **RS Components** are now able to supply a selection of Snubber Capacitors which are ideal for use with IGBT modules from all major manufacturers.

RS part number	Voltage and Capacitance	ICEL Type number
3002074979	850VDC, 0.68uF Snubber Capacitor	PMB1853680KSP
3002074982	850VDC, 1.0uF Snubber Capacitor	PMB1854100KSP
3002074984	850VDC, 1.75uF Snubber Capacitor	PMB1854175KSP
3002074986	850VDC, 2.5uF Snubber Capacitor	PMB1854250KSP
3002074988	850VDC, 4.7uF Snubber Capacitor	PMB1854470KSP
3002074990	1200VDC, 0.39uF Snubber Capacitor	PMB2123390KSPB
3002074992	1200VDC, 0.56uF Snubber Capacitor	PMB2123560KSP
3002074994	1200VDC, 1.0uF Snubber Capacitor	PMB2124100KSP
3002074997	1200VDC, 1.5uF Snubber Capacitor	PMB2124150KSP
3002074999	1200VDC, 2.0uF Snubber Capacitor	PMB2124200KSP
3002075001	1200VDC, 2.5uF Snubber Capacitor	PMB2124250KSP
3002075003	2000VDC, 0.22uF Snubber Capacitor	PMB2203220KSP
3002075005	2000VDC, 1.2uF Snubber Capacitor	PMB2204120KSP

ICEL have a wide product range but are also able to offer custom capacitor solutions;

General Purpose Polyester Capacitors (DC applications / coupling / filtering / noise suppression / by-passing etc)

Polypropylene Film Capacitors (Superior performance/ AC and Pulse applications / DC link etc)

Axial, wire ended and tag connection packages

Box type, tag and solder pin packages
