Coil Spring

Woopy is a coil spring made of galvanised steel especially for suspending baby and children's hammocks from the ceiling. The constant, soft swinging of the spring is similar to the baby's experience in the mother's womb. It promotes relaxation and well-being so that your little darling will soon fall asleep. The enclosed fabric cover should avoid getting one's fingers caught in the stretched spring.

Suitable for baby and children's hammocks.

Product data:

- Customs tariff number:

ca. 44 cm | ca. 31 mm | max. 15 kg | ca. 0,7 kg - Item number/EAN: AZ-3045100 / 4030454002868 - Material: Coil spring: steel (galvanized) Fabric cover: 100 % cotton
