FCC Declaration of Conformity

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, (2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications made to this equipment. Such modifications could void the user's authority to operate this equipment.

WARNING: Recording conversations without the consent of all parties may be illegal in some states or jurisdictions.

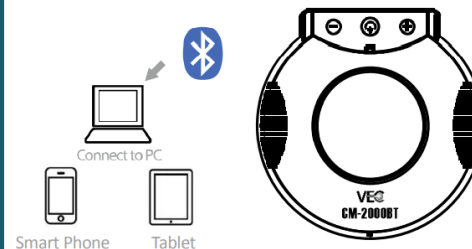

Limited Warranty

The manufacturer warrants that this product will be free from defects in materials and workmanship under normal use and service for a period of 90 days from the receipt, provided that this limited warranty is extended only to the original purchaser and is subject to the following conditions. Exclusions and limitations hereinafter set forth.

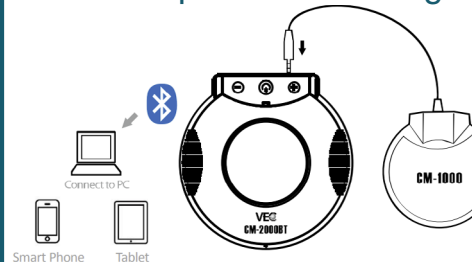

This limited warranty shall be void if the product has any damage by accident or unreasonable use, neglect, improper maintenance or other causes.

Modifications not authorised by the manufacturer may void the users authority to operate this device.
