TECHNIQUES

PHASE ONE

1. Apply Formula 1 to the base and feather down to ensure blending at the base.
2. Process for 35 minutes and rinse well. Shampoo with Color Protect® Post Color Shampoo and condition. Dry the hair and prepare for Phase Two.

PHASE TWO

1. Part the hair down the middle. Starting at the front hairline just above the ear, take a diagonal back V section and hand paint with Formula 1. Continue to hand paint in these diagonal sections, adding lowlight

with Formula 2 in every third section for depth. Continue up the head in V sections.

2. Move to the top segment. Beginning in the crown, take horizontal slices and hand paint using Formula 1. Paint the lowlight Formula 2 every three to four sections for dimension.
3. Process for 25 minutes (or until desired lightness is achieved) and rinse well. Shampoo with Color Protect® Post Color Shampoo and towel dry.
4. Apply Formula 3 to damp hair and process for 10 minutes.
5. Lightly cleanse with Color Protect® Post Color Shampoo and condition.
