Formula 5: 1 oz. (30 g/ml) Paul Mitchell® the color UTP + 1 oz. (30 g/ml) 5 volume Paul Mitchell® Clear Developer

COLOR | STEPS

1. Create three triangles to segment the front and three diamonds to segment the back of the head and clip for control.
2. Begin the application on the side at the front hairline taking ¼-inch back-to-back weave sections using Formula 1.
3. Continue working on the side of the head. Taking ½-inch horizontal diagonal back sections, skim off the top, weave and apply Formula 2. Alternate between Formula 1 and Formula 2 until the side segment is complete.
4. Repeat steps two and three on the opposite side.
5. For the top triangle at the front hairline, take ¼-inch back-to-back weave sections using Formula 1. Continue working through the top. Taking ½-inch horizontal sections, skim off the top, weave and apply Formula 2. Alternate between Formula 1 and Formula 2 until the side segment is complete.
6. In the back segments at hairline, take ¼-inch back-to-back weave sections using Formula 1. Working through the back segments, take 1-inch horizontal sections, skim off the top, weave, and alternate between Formula 1 and Formula 2 until the side segment is complete.
7. In between foils lightly rouge and hand-paint Formula 1, focusing on the ends where lightness is needed.
8. In between foils hand-paint Formula 3 base to ends where depth is needed.
9. Process for 45 minutes, rinse and shampoo with Paul Mitchell® Color Protect® Post Color Shampoo. Condition with Paul Mitchell® conditioner.
10. Towel-dry and root tap by applying Formula 4. Focus on just the base, about ½-inch on each section.
11. Apply Formula 5 from the root tap to the ends and process for 10-20 minutes.
12. Rinse and shampoo with Paul Mitchell® Color Protect® Post Color Shampoo. Condition with your favorite Paul Mitchell® conditioner.
