

# AMBROTOSE LIFE™

The most powerful supplement you can take for your health

- Non-GMO
- Suitable for vegans
- Suitable for vegetarians
- Low glycemic
- Gluten free
- Kosher food

### POWERFUL

Ambrotose LIFE powder is the most important nutritional supplement for your health. It supports your body's cell-to-cell communication, boosts your immune system, supports improved cognitive function and promotes gastrointestinal health.\* We believe this non-GMO, low glycemic and gluten-free nutritional supplement does more for your health than any other combination of products ever developed.

### PROVEN

Fully validated by 10 different third-party clinical studies<sup>††</sup>, Ambrotose LIFE powder can help your body do amazing things. If you only take one nutritional supplement, Ambrotose LIFE is the one to take!

### GUARANTEED

Commit to trying it for 90 days, risk-free. Use our 90 Day Experience Tracker to monitor your results, you'll feel a difference in your health. Guaranteed. If you don't, we'll gladly refund your money.

### BENEFITS

Over the past 20 years, Mannatech has invested millions of dollars into research and validation in developing Ambrotose products. Numerous studies have been published in peer-reviewed journals about Ambrotose powders<sup>††</sup>, showing Ambrotose can:

- Support cellular communication\*
- Improve cognitive function, concentration and memory\*
- Improve mood and decrease irritability\*
- Support digestive function\*
- Support immune function\*
- Promote gastrointestinal health\*
