

Exceptional Support for Your Immune System

Not actual size.

FUN FACT

Oranges aren't actually the highest food source of vitamin C. Other fruits and veggies, such as Acerola cherry have higher amounts of this essential nutrient.

The second you're feeling stressed or run down, support your **immune system** with improved MannaBOOM® sachets. Now with 150% more vitamin C, increased Manapol® Aloe vera, added zinc and more Glyconutrients† in every slimstick!

This plant-based formula, is optimized for even more powerful immune system support anytime you need it. MannaBOOM **promotes a healthy, active lifestyle** with a tasty, citrus-flavored, quick melt formula packaged in sachets for on-the-go immune system support.*

Help support your immune system by ordering MannaBOOM today!*

Benefits:

- Helps nourish immune cells and help reinforce your body's own natural immune resistance.*
- Provides zinc which is necessary for normal immune system function.*
- High in antioxidants and vitamin C.*
- Promotes gastrointestinal health.*
- Contains Manapol, which enhances the absorption of vitamins C and E.*
- Provides a blast of support with our exclusive Manapol powder and nutrient-rich Asian superfood, Wakame.*

†Glyconutrients are beneficial saccharides found in nature
