Attn: David,

Dear Sir;

We are pleased to affirm that the palm oil used by our companies, originates from reputable plantation companies who are members of Malaysian Palm Oil Association (MPOA), MPOA together with many other stakeholders, has pioneered the establishment of the Roundtable on Sustainable Palm Oil (RSPO). Besides plantation companies, foreign companies and Associations such as Unilever, Sainsbury's (in United Kingdom), Migros (in Switzerland) and the World Wildlife Fund (WWF) are also active participants in RSPO. These members have pledged to support all activities to promote and implement sustainable palm oil production.

Our companies have recognised that the Roundtable process is a secure and neutral environment in which to build trust, share ideas and develop understanding about the practicalities in the palm oil supply chain involving producers, trades, processors, consumer goods manufacturers, retailers, investors and NGOs.

Our companies through all Members of MPOA, takes pride in being part of this RSPO process. We are the member of RSPO since September 2014 and (manufacturing arm) of certified Mass Balance RSPO Supply Chain since Oct 2015.
