Atomiser: <https://www.aussiecandlesupplies.com.au/products/black-misting-spray-lid-24m>

Spatula/Spoon

Scales <https://www.aussiecandlesupplies.com.au/search?q=digital+scales>

Isopropyl Alcohol: <https://www.aussiecandlesupplies.com.au/products/isopropyl-alchoho>

Method

1. Sterilise a pyrex jug with isopropyl alcohol
2. Add all ingredients to the jug and mix using a metal spoon to mix thoroughly
3. Decant into bottles and attach atomiser. The product has a shelf life of approximately 12 months from manufacture.
4. Experiment with other essential oils:

| Skin concern | Essential oil |
|--------------|--------------------------------|
| Ageing | Lemon, Ylang Ylang, Lavender |
| Sensitive | Cedarwood, Lavender |
| Oily Skin | Rose geranium, Lavender, Lemon |
