

COCKTAIL RIMMING SUGAR SAND® FOOD GRADE TECHNICAL DATASHEET

SPRINKLE SUGAR SAND

APPEARANCE:	Sprinkles sugar sand are very small pieces of edible confectionery used as a decoration or to add texture to desserts such as brownies, cupcakes, doughnuts or ice cream. The tiny candies are produced in a variety of colors and are generally used as a topping or a decorative element.
INGREDIENTS	Each of our Crazy Sprinkles® are made with different ingredients. Please refer to the ingredients technical data sheet below to see the specific ingredients for any particular sprinkle type.
STABILITY	Store in tightly sealed containers in a cool, dry, dark place
STORAGE	When stored under the proper conditions, initial product strength and color hue should be maintained
SHELF LIFE	Minimum of 24 months from date of manufacture
ALLERGENS STATEMENT	Brew Glitter, LLC has an established, documented, and thorough Internal Allergen Control Plan in place. All ingredients which are considered "Known Allergens" by the FDA are listed on our product ingredient statements where applicable. These ingredients are segregated in our warehouse and each container is clearly marked with a large label to indicate the contents are considered "Known Allergens".
KNOWN ALLERGENS	At this time, the ONLY known major allergen used in any of Brew Glitter's edible products is FD&C YELLOW #5 Used in a number of our Food Color products (primarily Yellow, Green, Teal and Brown shades) A very small percentage of the general population has a "sensitivity" to FD&C Yellow #5; Brew Glitter® products that contain FD&C Yellow #5 will have it clearly stated on the ingredient statement and all documentation.
ALLERGENS NOT PRESENT	The following "Known Allergens" are NOT present in any products formulated, distributed or sold by Bakell, LLC: Milk, Eggs, Peanuts, Tree Nuts, Fish, Shellfish and/or Wheat. That is not to say these ingredients may not be on the premises during manufacturing and processing, however the products Bakell produces and offers does not carry these products within the ingredients. Furthermore, this is to certify that our sprinkles line supplied by Bakell LLC, do not contain or consist of any Allergens like Milk or Milk derivatives, Egg or Egg derivatives, Soybean or Soybean derivatives, Peanuts or Peanut derivatives, Tree nuts or Tree nut derivatives, Grains or Grain derivatives, Fish or Seafood and their derivatives, Seed or Seed derivatives and any Sensitizers and have not been in contact with other materials which have been modified in some way. We also declare that the intermediates used for manufacturing of colors do not contain or consist of any allergens as above.
ALLERGEN ASTERIK	Please note that equipment used in manufacturing does not handle or contain ingredients listed in this statement, but that does not mean the ingredients may not be on the premises throughout any part of the process. ** see allergen chart in this document **
