

BIOFA NASEDA Wool detergent Item no. 4056

Properties

NASEDA is a high-yielding, skin-friendly hand detergent concentrate. It washes and gently cares for all wool items and other delicates. NASEDA consists of natural raw materials, is free of enzymes, optical brighteners, softeners and phosphates, is biodegradable, and has no chemical preservatives. The employed cleaning raw materials (tensides from plant-based fats) have very good dirt and grease loosening properties.

Attention! Do not use NASEDA as a washing machine detergent!
