

# CSI Literacy Kits • YEARS 4–9

Develop strategic, capable readers and thinkers.

Designed to teach comprehension strategies, fluency, and academic language. Each year-level kit offers engaging, short, complex, informational and fiction texts, including poetry.

Kits include:

- 40+ whole-group shared reading texts
- 40 co-operative activity texts with audio support
- graphic organisers
- lesson plans
- assessment rubrics

- Students will read, think, talk, and write in response to high-interest texts.
- Gradual release toward responsibility is used to build student agency.
- Students collaborate and build oral language skills as they closely read.
- Kits offer support for teacher modelling and explicit instruction.
- Supports students to gain fluency in English.

“It only takes a few lessons a week, and there’s no need to spend your evenings searching for engaging, short texts – they’re all in the kit!” – Monique, Year 4 teacher
