

ALLIED WINE GROUP

MONT BLANC CUVÉE TREVISO ITALY

Italian Sparkling at an Unprecedented Price!

Producer: Montelliana (Treviso, Veneto, Italy)

Grape Varietal(s):
Chardonnay & Glera

Tasting Note:

Fine sparkling wine obtained by natural fermentation with the Charmat method. Pale straw-yellow colour with greenish highlights, it has a thin, abundant perlage and a typically fruity bouquet leaving you with a taste that is soft, dry and delicate with a fruity finish.

Technical Notes: White wine method with soft pressing, Charmat fermentation method.

Alcohol: 11% | **Residual Sugar:** 15g/L

Vineyard Notes: Bubbly like no other at a great price! These bubbles have plenty going on. Not only does it make for a beautiful aperitif, it is absolutely delicious in cocktails (think Spritz) and a host of appetizers, and foods like smoked salmon, potato latkes and white fish. Add a little sparkle to your wine list/bar by having a case or two around. At this price, the cost of pulling a few corks will not break the bank. Cheers!
