

ALLIED WINE GROUP

FRATELLI BERLUCCHI FRANCIACORTA

Varietal:

Chardonnay and Pinot Bianco

Tasting Note:

This is Italy's answer to Champagne. Straw yellow with golden hues, fine and elegant effervescence, characteristic bouquet of fermentation in the bottle, hints of bread crust and yeast. Bright and brilliant through and through. This is a real charmer, believe us. For times when you need to impress, no doubt.

Technical Notes:

This gem takes 25 months from the harvest to be ready to drink. Chardonnay and Pinot Blanc, picked a little before ripening and pressed rapidly one time allow for the essence of Franciacorta to jump right into the bottle. This will impress your guests. For you wine enthusiasts and sommeliers out there this is a blanc de blanc; not many of these babies out there. We got one right here for you!

Alcohol:

12.5%

Food Pairing:

Likely one of the most versatile wine in the rack. It literally goes with everything! Aperitivo, seafood, grilled meat, cheese, spicy, sushi, Asian, Indian....

Vineyard Notes:

The youngest in the serious Millésimé (single vintage) family is a fresh and frothing toast wishing to be different for the young and the young at heart.
