If the product happens to get distorted, please follow the below instructions to correct it back to normal use mode.

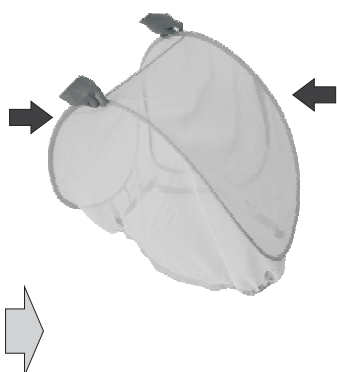

Hold the smaller side with two hands, try to push down the rod in between the two hands and at the meantime, turn the rod inward until you feel the rod inside has turned back. Then release the rod and adjust the shape again.

# Fold the Canopy

**Note: Failure to follow these instructions to fold it could result in distortion to this product.**

1. Find hooks and remove them from Co-Sleeper® bassinet.

2. Grab the middle of the 2 rods to collect it.

3. Hold collected rods by one hand.

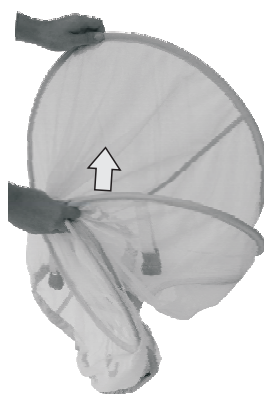

4. Take the front end by the other hand and fold it inwards.

8. Take the final hanging ring by the other hand and collect it to the upper two rings.

7. Hold the top and middle rings by one hand.

6. It becomes 3 rings now. Hold the middle ring and collect it under the top ring.

5. Release the rod that is close to you and it will naturally go into under the top ring.

9. 3 rings are overlapped together.

10. Adjust 3 rings to be similar size.

11. Pack it into the carry bag.

12. Zip the carry bag.
