

# Make Your Own Playdough Mooncake

You Need: card paper, glue gun, mooncake design stamps, scissors, bottle cap and play dough

## Step 1

Watch video tutorial. Print out the mooncake design stamps on card paper or make your own design. Use scissors to cut around the mooncake shape .

## Step 2

Use the glue gun to trace over the mooncake design. Let it dry. When it hardens, it will become a mooncake design stamp.

## Step 3

Stick bottle cap with glue gun to the back of the card for easy grip.

## Step 4

Roll out the playdough in the shape of a ball. Flatten a little to form a round mooncake and use your mooncake stamp to make a design on your play dough mooncake!
