### WAXED COTTON SADDLE BAGS

A pair of durable, water-repellent saddle bags crafted from genuine leather and premium waxed cotton, featuring brushed gunmetal or brass effect hardware to complement the color of choice. They are sure to enhance the traditional heritage feel of your Triumph. They provide 7.2 US gallons (27.6 litres) of storage capacity, 3.6 US gallons (13.8 litres) per bag, and come complete with the correct mounting harness. They can be mounted individually (left or right-hand side) or as a pair. A Rain Cover (A9950009) is available for purchase separately. Available in Black or Olive.

<b>BLACK</b>	A9518155
<b>RHS BLACK</b>	A9518156
<b>LHS BLACK</b>	A9518157

<b>OLIVE</b>	A9518082
<b>RHS OLIVE</b>	A9518153
<b>LHS OLIVE</b>	A9518154

### CITY BAG RAIN COVER AND POUCH

A9950009

A Rain Cover that will keep your Waxed Cotton Saddle bags and their contents dry in the event of a heavy downpour. It includes a branded pouch for compact storage of the cover for when not in use, which fits inside the saddle bags themselves.

### WAXED COTTON TANK BAG

A Waxed Cotton Tank Bag constructed from durable genuine leather for increased water repellency and dyed waxed cotton for that traditional heritage look. Designed to evolve with a patina to create a truly personal and unique product for you. Offers 2.6 US gallons (10 litres) of storage capacity. A separate waterproof rain cover is available for more extreme riding conditions. Comes complete with correct mounting harness. Available in Black or Olive.

<b>BLACK</b>	A9518100
<b>OLIVE</b>	A9518089

### CITY BAG RAIN COVER AND POUCH

A9510228

A Rain Cover to keep your tank bag and its contents dry in the event of a heavy downpour. It includes a branded pouch for compact storage of the cover when not in use, which fits within the tank bag itself. Designed to feature a transparent window for use with the tank bag's map pocket.

### NYLON TANK BAG

A9518091

A Nylon Tank Bag featuring a non-slip base and felt-backed webbing to protect your fuel tank. It is lightweight in design and offers 2.4 US gallons (9.3 litres) of storage capacity. Comes complete with fitting kit. Rain Cover sold separately (A9510228).

### NYLON SADDLE BAGS

A9518148

A pair of water-resistant Nylon Saddle Bags featuring a quick-release system for your convenience. They provide 7.9 US gallons (30 litres) of storage capacity in total, with each saddle bag capable of holding 3.95 gallons (15 litres). The saddle bags include an internal drawstring divider and zipped pockets in the saddle bag lid for those smaller items. Featuring subtle Triumph branding. Comes complete with a Rain Cover for riding in harsher conditions and all necessary mounting hardware.
