### FEATURES AND BENEFITS:

- Rounded corners and smoother interior surfaces results in less bruising and damage to your produce.
- Multiple vents in sides and base provide superior air flow so products cool faster adding valuable shelf-life to your produce.
- Unique design with rounded entry has a larger forklift entry height than wooden bins.
- Smooth, non-absorbent surface is not affected by dipping operations.
- The design is compatible with most bin handling equipment.
- Unique moulded label holders for cards and tags. Small, exterior pads reduce scratches.
- The positive interlocking foot design permits fast and safe stacking.
