Meet Vivian

THE HUMAN BEHIND LA FEMME BOHEME

Hi! My name is Vivian and I'm the one-woman-show behind La Femme Boheme. I have always loved jewelry. Wearing the art that spoke to me was a way of expressing myself to the rest of the world. I began taking metalsmithing classes at the Fashion Institute in NYC because I had so many ideas for the jewelry that I wanted to wear but could never find anything like it in the market.

In 2014, a conversation with a friend led me to make one of the biggest decisions of my life. Three months later, I quit my job, packed up my belongings, and was on a plane to Fiji. Over the next year and a half, I traveled all over the world, became a US citizen, attended one World Cup, took more jewelry classes, and settled down in Grass Valley, CA, where I started La Femme Boheme. At the beginning of 2020, I packed up and moved to the other California - Baja Sur - where I am currently living a happy & simple life while still running my US-based jewelry business.

La Femme Boheme is an eco-friendly brand that values sustainability. My jewelry is cruelty-free and made from 99% recycled metals. I use high-grade gemstones, each handpicked for those who appreciate the beauty of nature without taking from it. My goal is to design timeless pieces for women who want to express themselves through high-quality heirlooms that will last generations.

I get my inspiration from the images that float in my head. Some nights I stay up for hours, unable to sleep because every time I close my eyes, images of potential designs pop into my head. It's like a never-ending slideshow.

Terms & Conditions

I am confident in the products that I offer and the value they can provide to your customers. I also understand that as a store owner, you may have some hesitations about committing to an unknown brand. For this reason, I would like to make it as easy as possible for you to get my jewelry in front of your customers.

The opening order minimums and lead times mentioned below are for large purchases which will be made-to-order. However, if you'd like to order from the items I currently have in stock, **I can lower the order minimum** to \$500. You'll also **receive your order faster**, as it will ship in 1-2 business days. All you have to do is go to the [wholesale section of my website](#), add the items you want to your cart, update the quantities, and use the code **WHOLESALE** at checkout.

Feel free to reach out if you have any questions! My contact info is at the bottom of each page.

ORDER MINIMUMS

With the exception for in-stock items listed above, a minimum order of \$1,000 is required on opening orders. A \$750 minimum order is required for re-orders. Exceptions for special customer orders may be made on a case-by-case basis.

PAYMENT POLICY

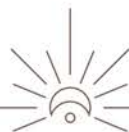

Opening orders must be paid in full at the time of placement. A 50% deposit is required for re-orders. The remaining balance must be paid in full before the order ships. Forms of payment accepted are credit/debit cards and PayPal.

PRODUCTION

With the exception for in-stock items listed above, please allow up to 8 weeks for production, though most orders typically ship earlier. I'll provide you updates on your order status and estimated ship date throughout the production process.

SHIPPING

Shipping charges will be calculated and added to your total when the order is ready to ship. Unless you request a different carrier, most shipments will be sent via USPS Priority Mail with tracking and insurance.

Terms & Conditions

SPECIAL ORDERS

It would be my pleasure to customize items specifically for your store & customers. For any special order requests, please email me at lafemmebohemejewelry@gmail.com to discuss design and pricing. Most items can be made with different stones, metals, and components, and can have additions or subtractions to the piece.

RETURNS

Please inspect your order closely upon receipt. If an item is damaged, please email me within 7 days of delivery to receive a refund or replacement. Should you change your mind about a certain item, you may return it for store credit as long as it is in its original condition. Please note that your store credit will not count towards your re-order minimum.

REPAIRS

I will repair any defective merchandise free of charge for one year from the date of purchase. Items damaged due to wear and tear or elective repairs (such as resizing rings, changes to design, or errors by the customer) unfortunately cannot be repaired.

CANCELLATIONS

Please be 100% sure of your order, as it cannot be canceled once it has been placed. I may be able to accommodate changes to your order if they are emailed to me within 48 hours.

OTHER CONSIDERATIONS

All of my jewelry is handmade using natural stones, so slight variations should be expected.

Each piece will come in a branded pouch. Please put a note at the bottom of the order sheet if you do not need any packaging.

Feel free to use any photo or text from my website for your marketing and social media. Please contact me if you would like access to the original high-quality photos.

Testimonials

I THINK MY JEWELRY IS PRETTY GREAT, BUT DON'T TAKE MY WORD FOR IT.
HERE'S WHAT MY CUSTOMERS ARE SAYING BEHIND MY BACK:

ANOTHER FANTASTIC RING!

"I've purchased many pieces of jewelry and Vivian never disappoints. Everything is handmade and of the highest quality. I think I wear at least one of her pieces (rings, earrings, cuffs, necklaces) daily and always receive compliments. If you're thinking about purchasing - do it! You won't regret it!"

- *Christina K.*

BEAUTIFUL AND ARTISTIC!

"I started buying pieces last fall as Christmas presents for my daughter and quickly fell in love with the unique pieces. I love that each piece is handmade and a unique one of a kind since no two stones are alike. Excited to follow Vivian for years to come to add to our collection!"

- *Becky D.*

NOTHING COULD BE FINER!

"I have purchased multiple pieces of jewelry from La Femme Boheme, and I will purchase more. Every part of the process, from shopping, making personal requests, paying, and shipping is extremely easy. The way Vivian packs her pieces is almost as beautiful as the jewelry. I get compliments on all my La Femme Boheme pieces. Highly recommend!"
