

DIY Butterfly Wonderland

Turn your little one's bedroom into a butterfly wonderland with our print out colouring butterflies!

Follow our step by step guide:

Step 1 : Print out page 2 and 3 of this PDF file.

Step 2 : Cut out all of the printed butterflies.

Step 3 : Colour all of the individual butterflies.

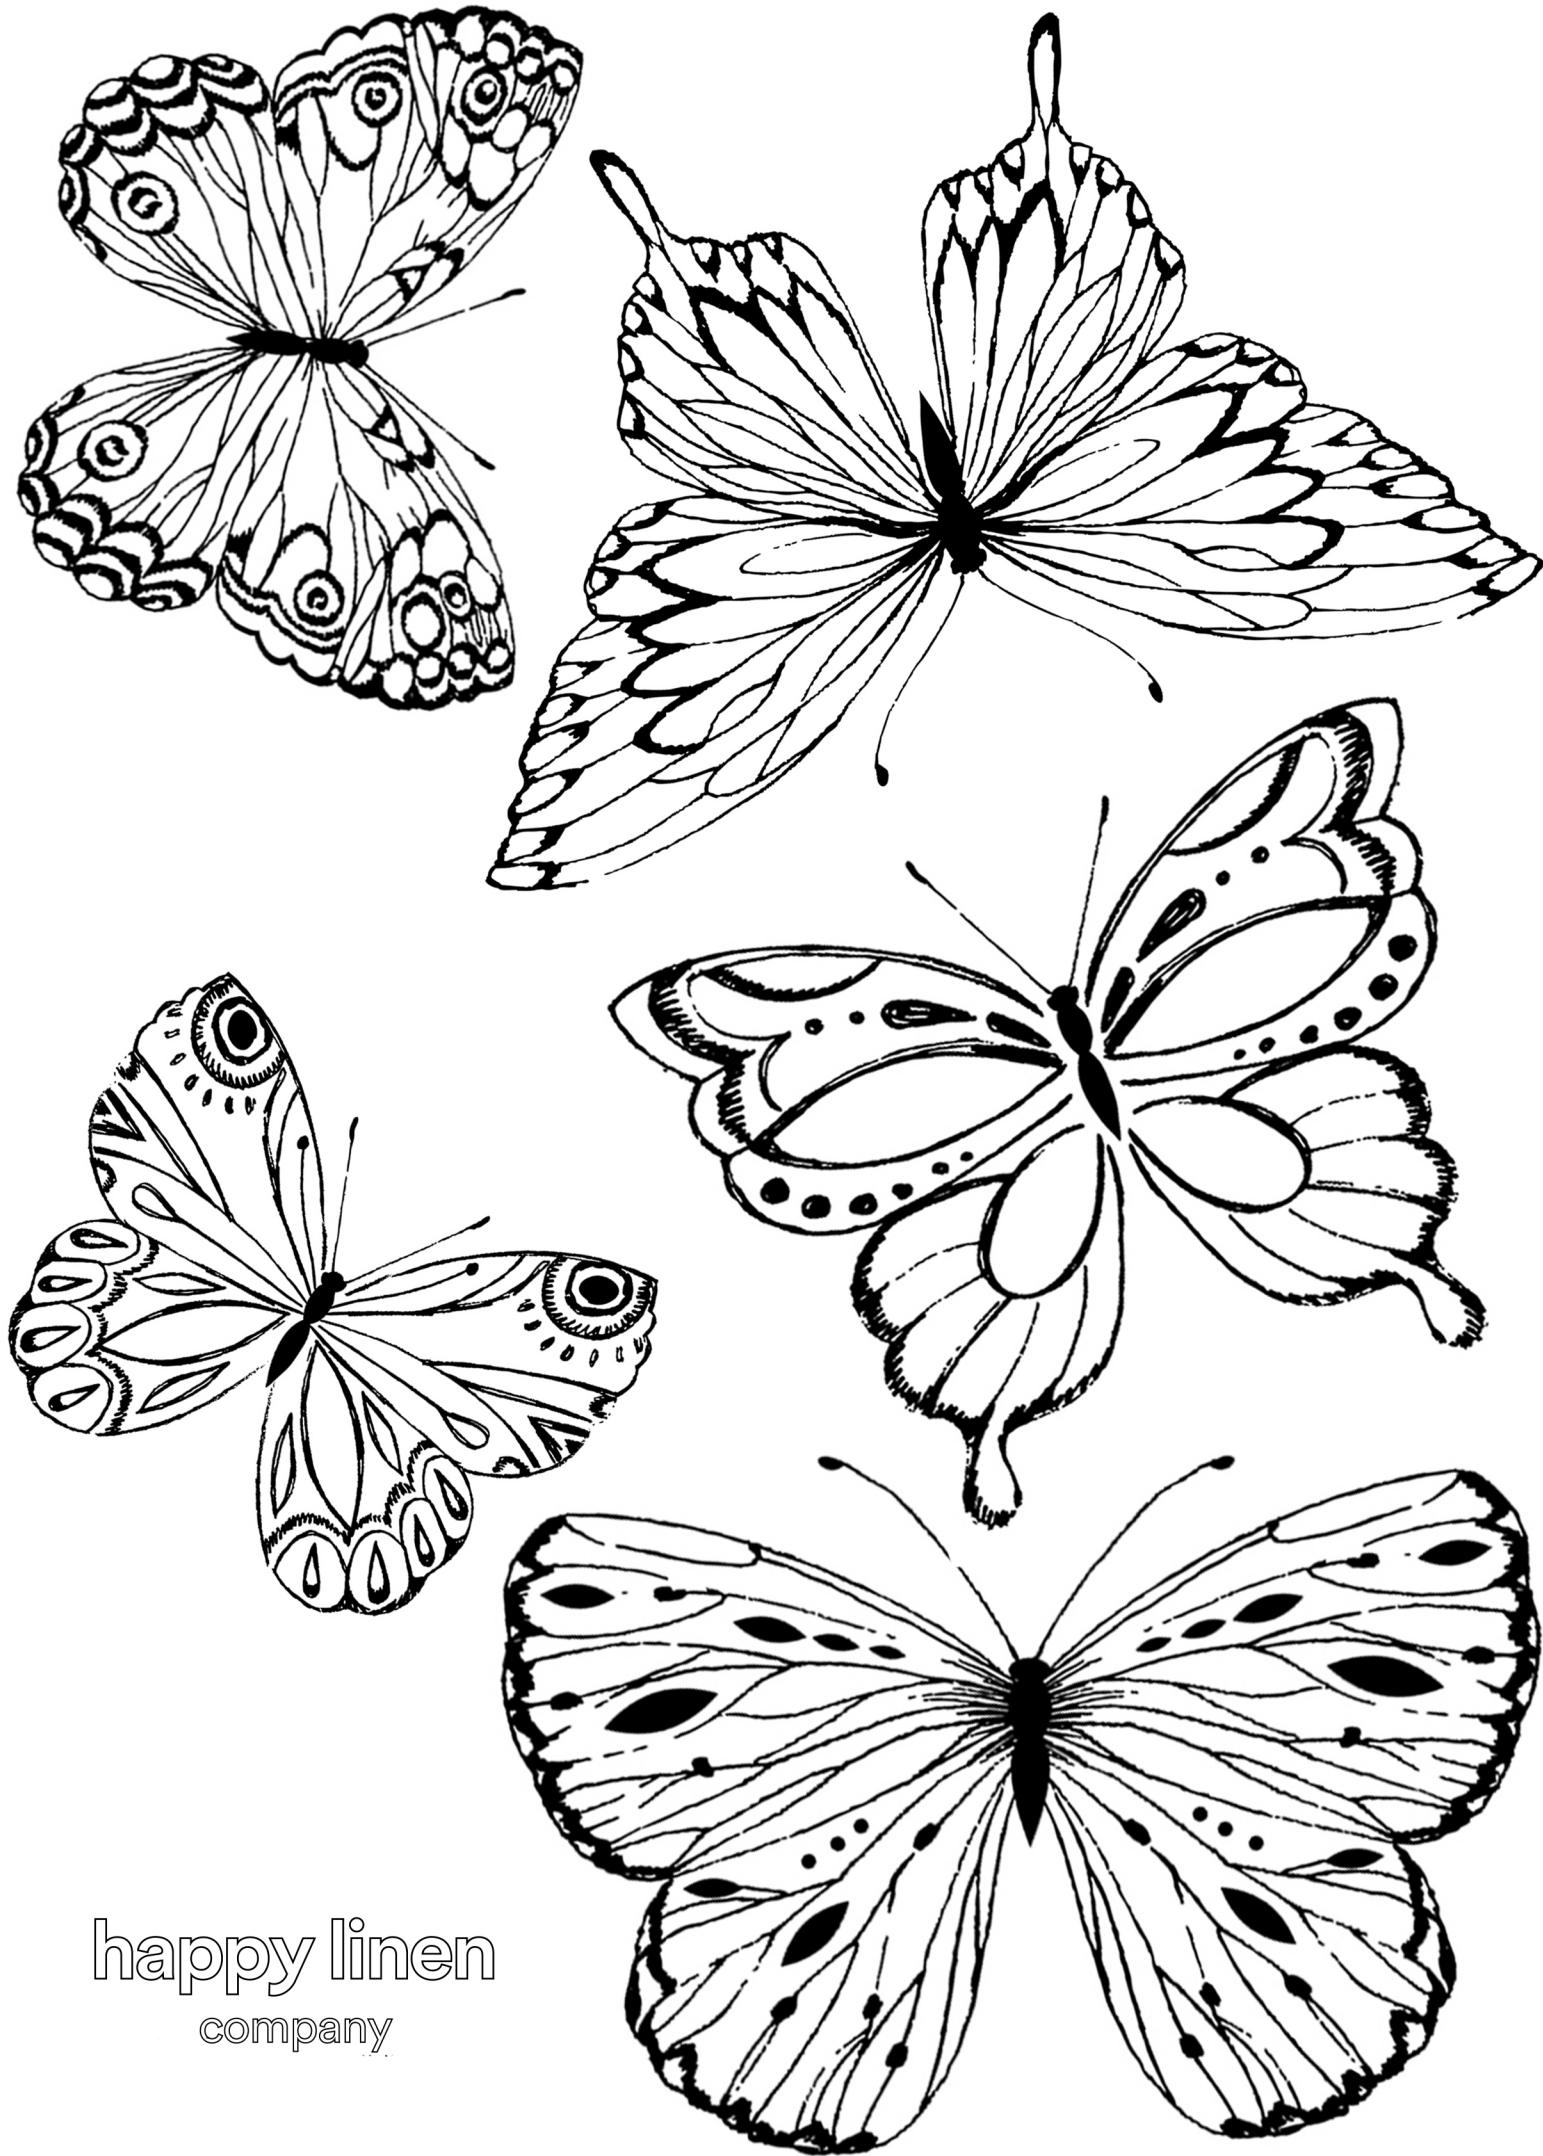

Step 4 : Fold the butterflies lightly, with the coloured side on the outside.

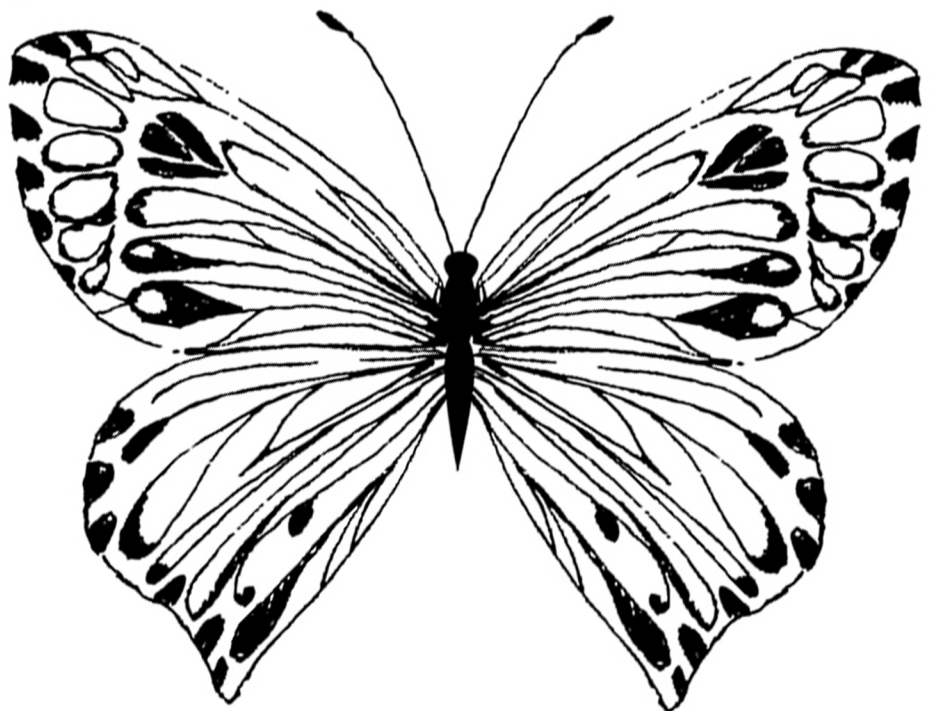

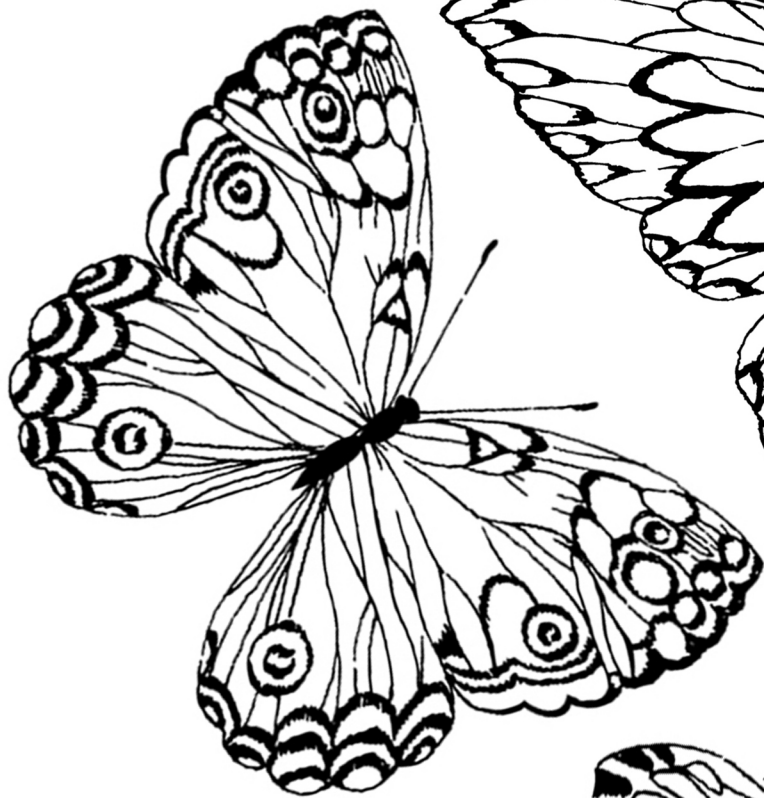

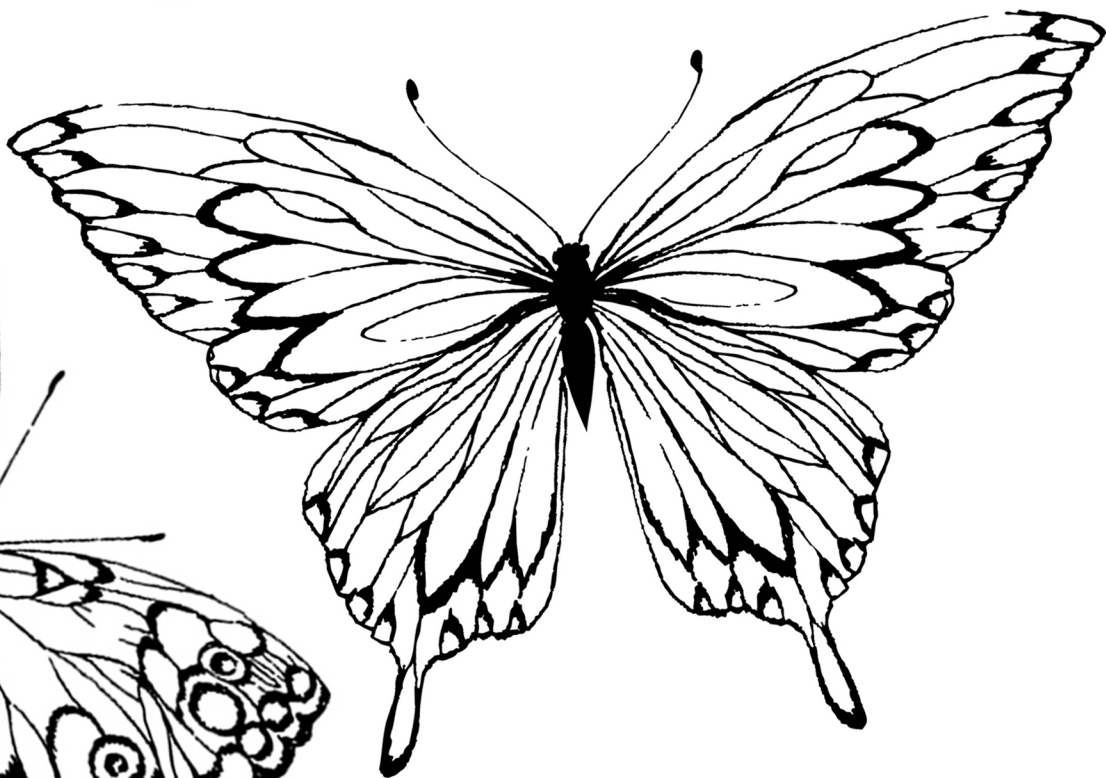

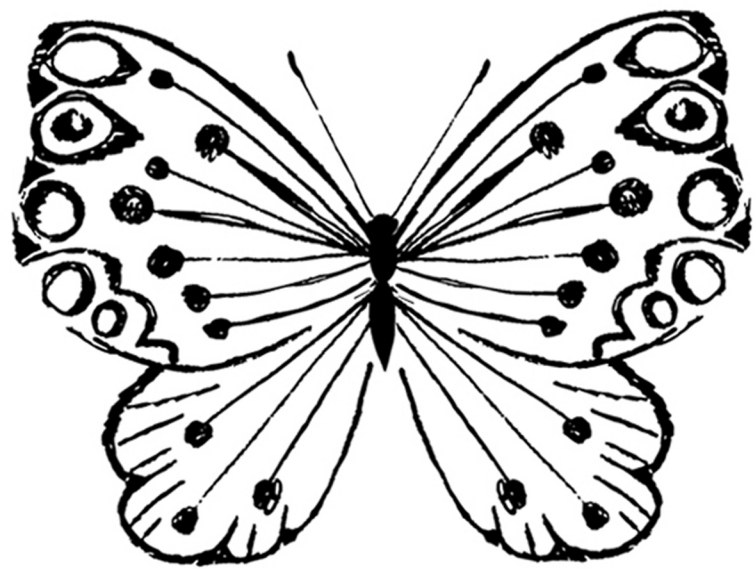

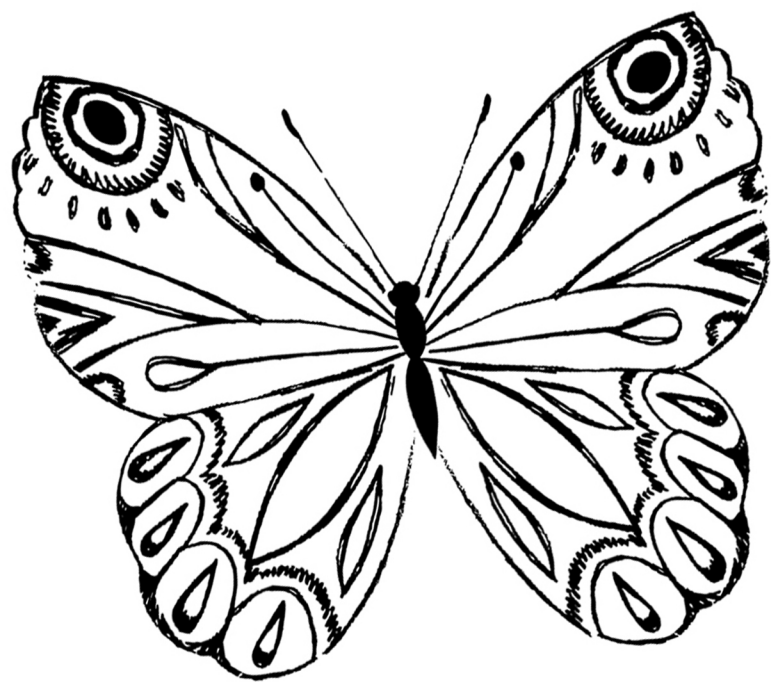

Step 5 : Poke a hole in each of the wings (towards the top part of the wings). Thread a string through the holes, tie them together like a triangle.

Step 6 : Tape the butterflies to the ceiling at different lengths to show off their different colours!
