

Send a card

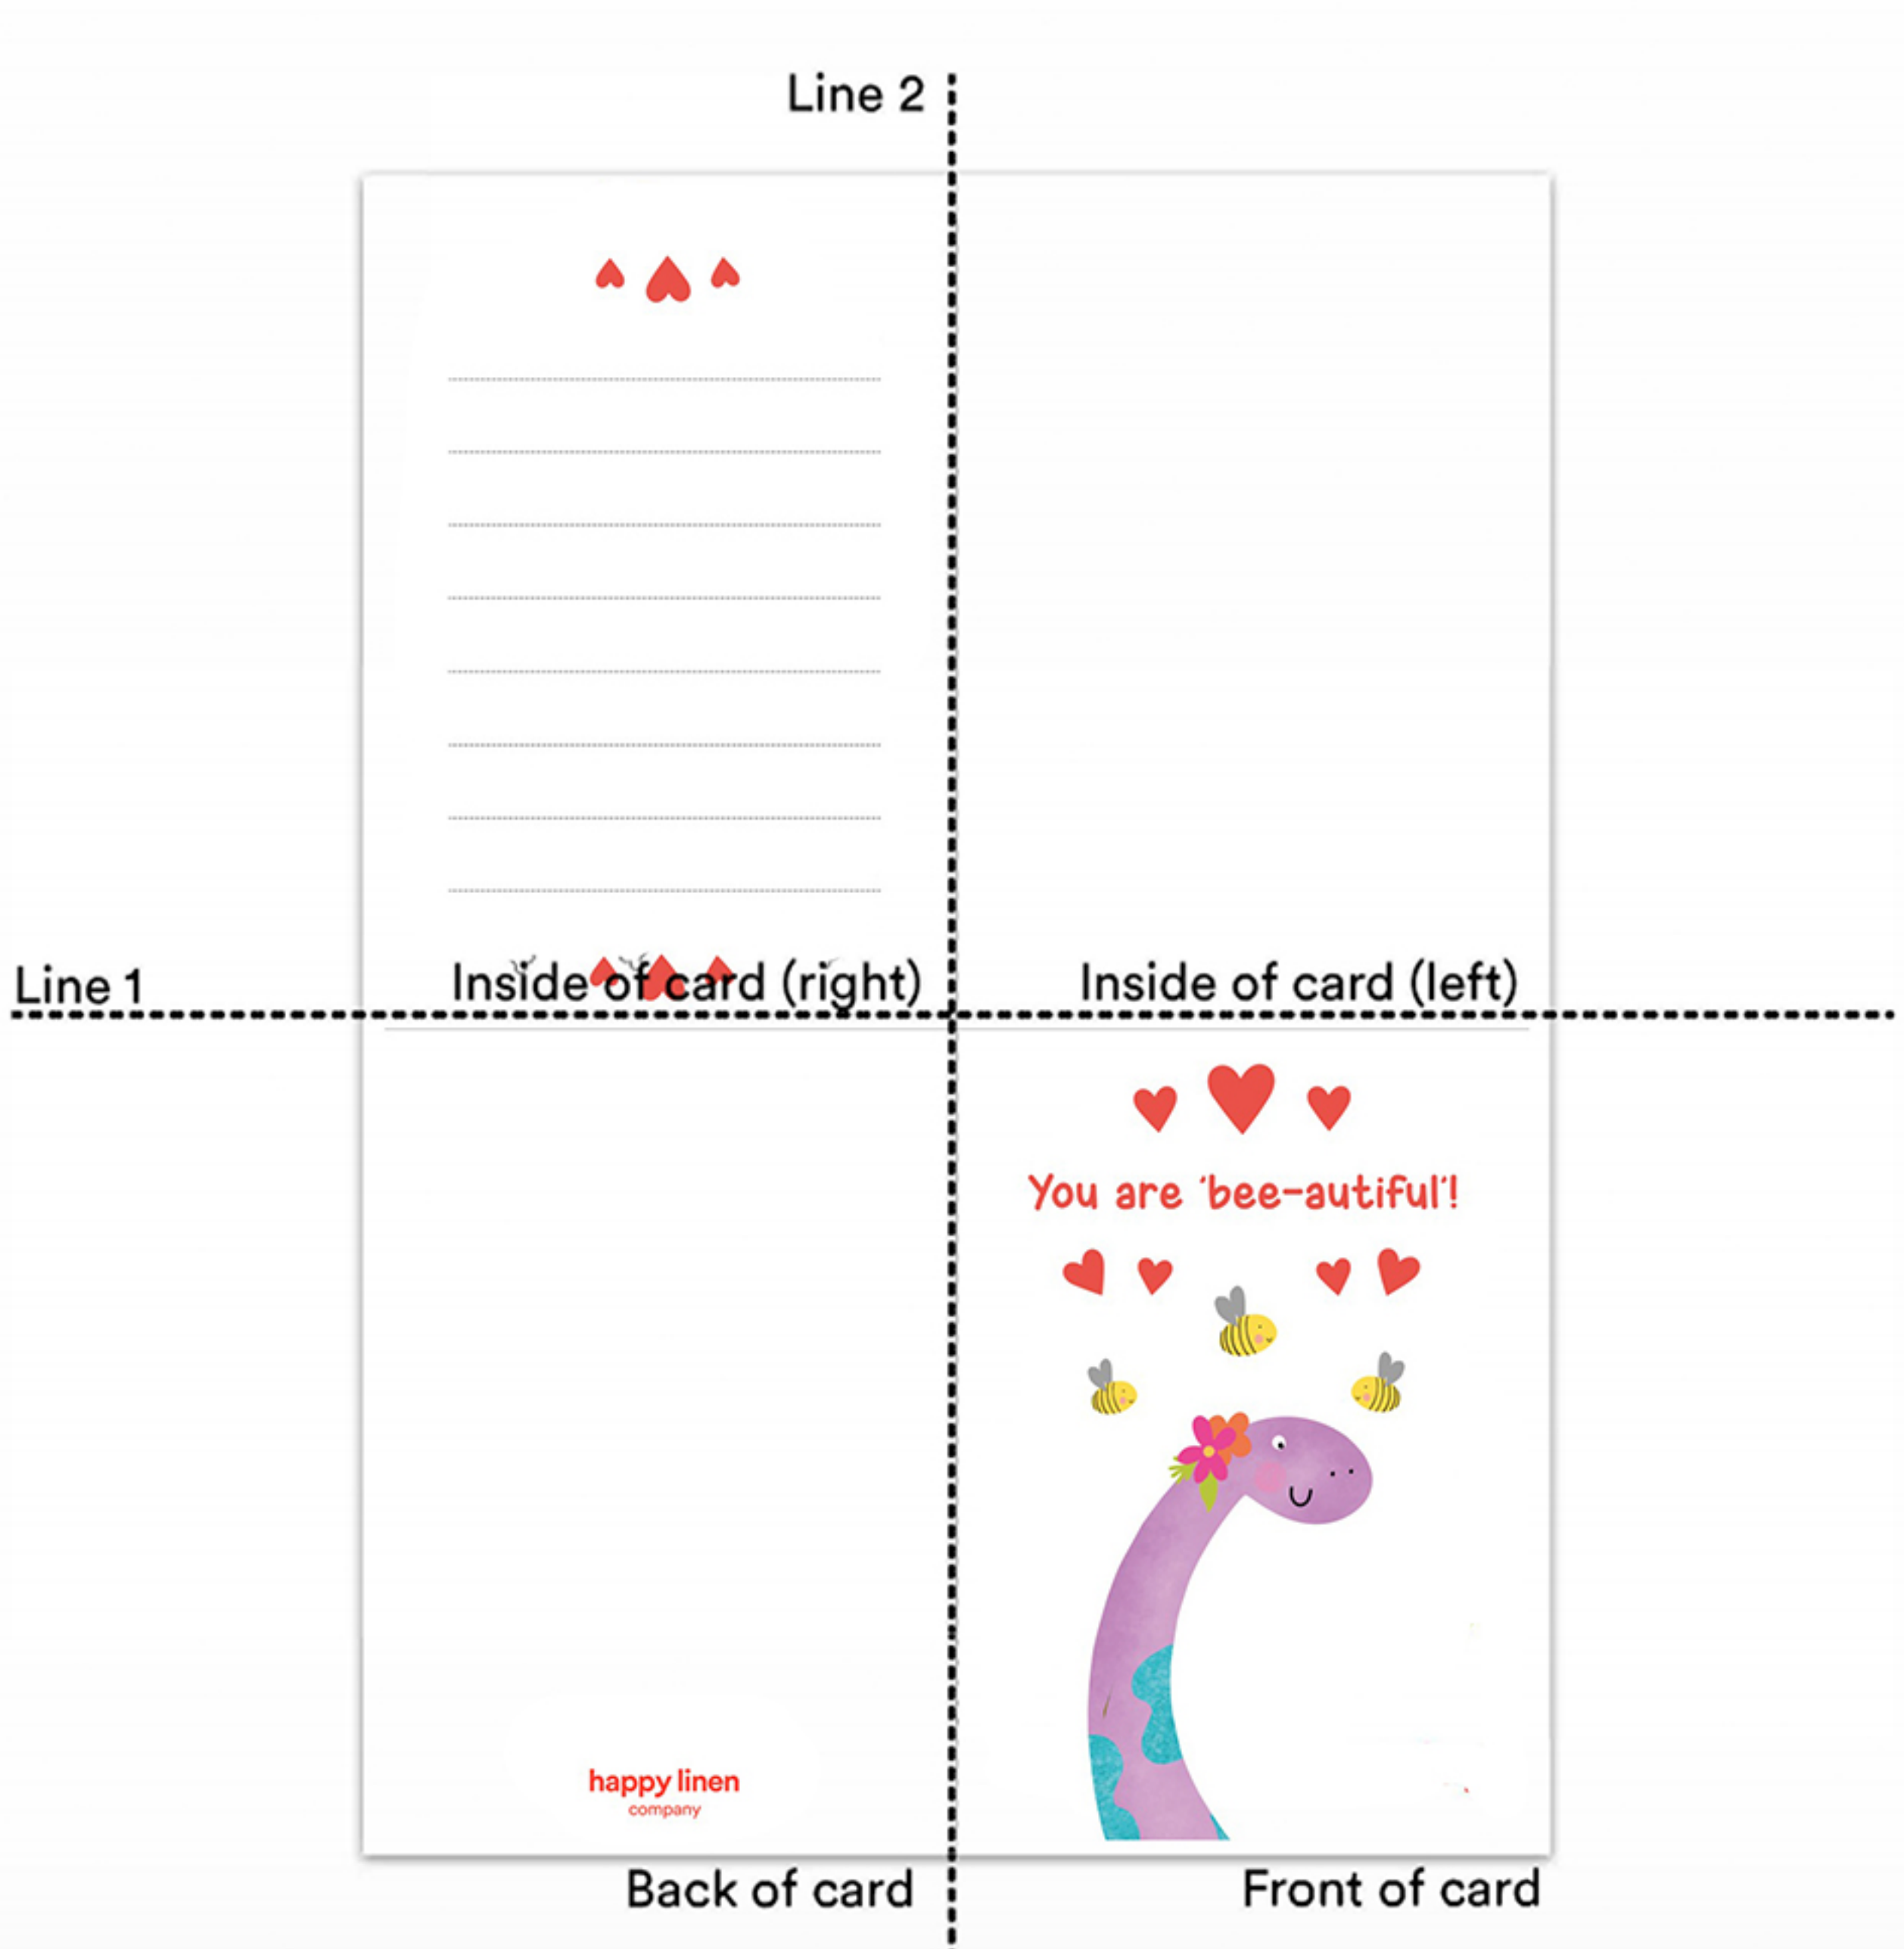

We created free downloadable greeting cards your little ones can colour, fill in and post to a friend and family member! There are two versions of each card, a colour version and a black and white version in case your little one wants to get creative!

Step 1 - Fold along line 1

Step 2 - Fold along line 2

Step 3 - Colour in or/and write a message

Step 4- Post the card to a friend!

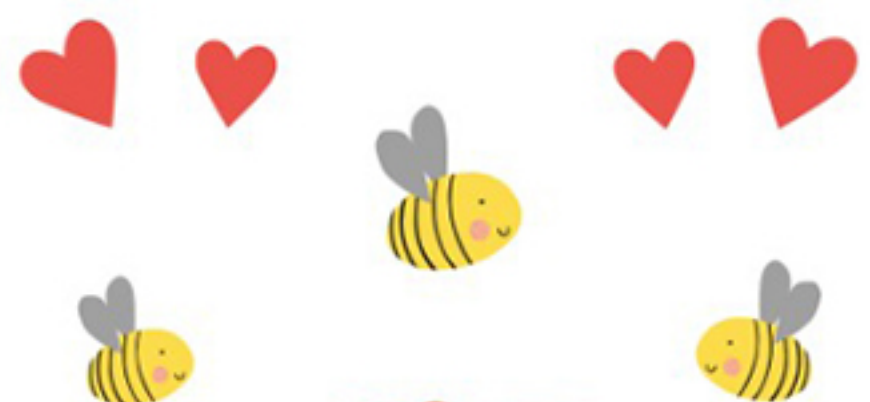

Handwriting practice lines consisting of eight horizontal dashed lines.
