THE FLIGHT GUIDE IOHANNES EDITION

HI THERE.

I'm Johannes Högberg. I do media stuff for atitude 64, and I've been throwing discs since 1995. Instead of the usual disc descriptions I have included my own thoughts on the discs. Why I love some, why I don't throw some, and some tips for others. For reference I can throw a disc 450 feet (140 meters) :D
