Nondestructive Testing (NDT)

MFE

MFE MK II 2412 Tank Floor Scanner

Pine Item #54116

DESCRIPTION:

The new MFE 2412 Mark II is smaller, lighter, easier to use and even more rugged and reliable. The new 'Mark II' is also more user-friendly. By careful redesign of the handle mechanism and relocation of the battery it has been possible to drastically reduce the amount of effort required to operate the scanner despite a significant increase in the power of the magnetic bridge.

FEATURES:

- 12 Channel LED Display
- Audio Visual Alarm
- User Friendly
