

Magellan

Magellan Explorist 300GPS

Pine Item #54284

DESCRIPTION:

The Exporist 300 features Magellan TrueFix technology for superior accuracy and reliability with advanced tools for even easier navigation. The barometer and thermometer provide information on changing weather. The 2-axis barometer pressure altimeter easily determines your present elevation. And the electronic compass shows your direction, even while standing still. Explorist 300 includes 8 MB of built-in maps, 3 navigational screens and 8 MB of memory to save 5 track log files, 500 points of interest and 20 routes.

FEATURES:

- \r
- Barometer & Thermometer\r
- Barometric Pressure Altimeter\r
- Built-in Mapping\r
- Electronic Compass\r
- Large Backlit display\r
- Three navigation screens\r
- Track Logging\r
- TruFix Technology - Accurate & Reliable\r
- Waterproof

APPLICATIONS:

- Robotics Solutions
- Mining Solutions
- Precise Positioning
- Geospatial solutions
- Agricultral solutions
- Construction Solutions
- Navigation Guidance
- Marine Solutions
